

“There is a place whose streams make glad the City of our God” Psalm 46:4.

Streams of Blessing

Streams ministers to Jewish people coming from many different walks of life each and every day. We are touching the lives of new immigrants, widows, orphans, and one-parent families as well as the poorest of the poor – often forced to live on the streets. We also help those who come to our doors who do not come under the guidelines of other outreach projects within CFI.

As we minister to these people, they are beginning to see that true Christians are their genuine friends. We CAN make a difference for the Glory of God and the Name we carry!

As we minister to these people, they are beginning to see that true Christians are their genuine friends. We CAN make a difference for the Glory of God and the Name we carry!

Streams carry steady currents of water and CFI needs the assistance and support of our partners in the nations to help keep the streams flowing. Many come to our doors for help and we wish to turn no one away. You can help us leave a life-changing memory that will refresh their lives.

After 2,000 years of anti-Semitism coming through the Church in the name of Christ, Jewish people are surprised to walk into our environment and see an example of true Christianity in action – people who are followers of Jesus pouring forth the love of God into their lives.

Scripture says, we know that a cup of wrath will be given to the nations who turn against the Jewish people. God said He would recompense people according to their deeds. Let us not drink of the cup of wrath given to the nations who curse Israel but let us be the Streams of Blessing. Then we will be blessed according to His Word. His blessing always rests on those who are faithful to His commands.

The Lord gave a principle and a promise to the Gentiles that if they were a “blessing to Israel” He would command a blessing on them. When we bestow unconditional blessings on the Jewish people, as followers of Jesus, we will inherit God’s favor not only for ourselves but also for the lives of our families for generations.

He commands His blessing on us! Blessing is the opposite of cursing (Genesis 27:12; 33:11; Nehemiah 9:5).

From the Heart of God...
