

“Deliver me, O Lord,  
from my enemies;  
In You I take shelter....

Revive me, O Lord,  
for Your name’s sake!  
For Your righteousness’  
sake bring my soul  
out of trouble.”

*Psalm 143: 9, 11*

*“The pangs of death surrounded me, and the floods of ungodliness made me afraid. The sorrows of Sheol surrounded me; the snares of death confronted me. In my distress I called upon the Lord, and cried out to my God...”*

## ONLY 15 SECONDS TO RUN

For 10 years now the southern part of Israel, such as Sderot, Ashdod, Ashkelon and the surrounding area of the Negev, has been the only place in the world where rockets from Gaza are constantly launched on civilian communities and the civilians only have 15 SECONDS to get to the nearest bomb shelter.

## LIVES AFFECTED

Because of the constant rocket attacks, lives and houses are destroyed; children, even teenagers suffer from bedwetting and have extremely difficult conditions at school.

Many adults in these areas are on constant and even heavy anti-depressant medication. The civilians have difficulty finding employment in these areas where many families are suffering severely from physical, financial, mental and emotional hardships.
